

RAMS

Risk Analysis & Management Systems

Reviewed 07/12/20 (AT)

Slip'n'Slide

Risk Level: Low - Medium

Minimum Adults Needed: 1 for activity (3 for three time)

Location: Bank on field by staff house

Supervisors: Parent Helpers/Teacher(s)

Important Information for Supervisors of Activity Groups:

- ⇒ The children and their safety is **your** responsibility for the entire duration of the session. Do not allow any child to leave the group without your permission.
- ⇒ Please ensure your cellphone is off & attention is on the children at all times.
- ⇒ Please ensure you are acquainted with the **Activity Instructions** and the **RAMS** form for your activity prior to beginning the session.
- ⇒ It is expected that your organisation will have briefed supervisors as to any special needs/at risk children (e.g. a severe bee-sting allergy, epilepsy).
- ⇒ If you have any concerns about the activity, the equipment or your level of ability in regard to this activity, please speak with One Big Adventure staff immediately.
- ⇒ Normal precautions for child safety apply such as:
 - ◆ Ensure adequate clothing and footwear are worn especially if outdoors.
 - ◆ Maintain group control at all times.
 - ◆ Be aware of emergency procedures.
 - ◆ Know who your First Aid Officer for the group is and their location.
- ⇒ Encourage full group participation and have fun together!

- ◆ The **RAMS** outlined below are for hazards that could result in serious illness, injury and/or death. These hazards are specifically related to use of One Big Adventure activities and equipment.
- ◆ Risks associated with normal daily life have not been included (such as bee stings, sunburn, etc.) as it is expected that all groups will apply normal precautions to avoid these and to address them if need be.

Equipment		
Risks	Causing Factors	Normal Operations
Injury	Participant getting caught on slide/ or sliding over raised pegs	Participants to go down the centre of the slide one at a time and are told to sit sensibly while on slide
	Participant slipping over while running	Participants told to be careful & sensible around slide area

Environment		
Risks	Causing Factors	Normal Operations
Injury	Cars coming down driveway	Adults trained to halt activity and allow vehicle to pass whilst children are clear of the road.

People		
Risks	Causing Factors	Normal Operations
Injury	Loss of group control/ misbehavior/collision/friction burn/grass burn	Adequate adult supervision & group size manageable/ kids to be fully wet before going down slide

EMERGENCY PROCEDURES

1. Stop the activity
2. Assess the situation and the group safety as well as your own
3. Administer first aid and seek further treatment if necessary
4. Fill in Accident Report Sheet with your First Aid Officer (See Staff)
